

Cotteslowe Allotment Association – Bulletin 4/23

Hello to you all. A short note to all Members.

1. Our AGM is Sunday 24th Sept - i will circulate location, timing, agenda etc later. I am sorry it is another Sunday - our 2024 Work Parties will be both Saturday & Sunday.
2. We need to check we have the right e mail addresses for you. So please acknowledge to Diana “this is the right e mail”, or give us an alternative. If no response, I will try and call to check.
3. We will publish the Plot Plan on our website. We want to include first names for each plot - please say if you do not want this.
- 4.. New watering cans / roses have been bought and some have already gone “walkies” / been stowed in members’ sheds? As, I regret to say, has some of our members’ kit. This is more than tedious. We work together on trust, let us keep it this way.
